

Online Databases and Programs Available @ the Yokota Base Library

Pick up our library handout to get login access or call DSN 225-7490!

Database/Program	Description
CultureGrams	Access reports and cultural information from different editions: word, kids, US and Canada!
DoD MWR Libraries Education/Lifelong Learning Resource (formerly Peterson's Air Force Resource Center)	Search for and select undergraduate, graduate, or distance learning. Scholarship database will match your profile with grants, scholarships, etc. Online practice tests for the CLEP, Dantes, GRE, TOEFEL, ASVAB and more. Career guidance also available
EBSCOhost	EBSCOhost is a powerful online reference system accessible via the Internet. It offers a variety of full text databases and popular databases from leading information providers.
Faulkner Security Management Practices	Insightful, real-world reports for meeting today's complex security and business continuity challenges.
FirstSearch	Access to a variety of databases including AFLISCat, a listing of AF library materials worldwide. Materials from Yokota are highlighted in the search results, and item searches may be limited to PACAF libraries as a group
Gale Databases	Gale Virtual Reference Library for encyclopedias & specialized references, Student Resource Center covers all core curriculum areas, Opposing Viewpoints for today's hottest issues, Health & Wellness Resource Center for medical references, and Kids InfoBits for beginning researchers in Kindergarten through Grade 5
NetLibrary	Online books on a host of topics – computer instruction, coaching sports, classics, and many others.
NewsBank	News articles from US and international newspapers and wire services covering social, environmental, governmental, sports, health, and military issues.
OverDrive	Over 400 audio books that you may check out, download, and enjoy. Subjects include biography, business, current events, foreign language study, history, and much more.
Rosetta Stone Online Language Learning Program	Online language immersion training in 30 languages. Computer must be loaded with Shockwave.
SIRS Discoverer	Interactive full-text database, including many graphics for elementary and middle-school students. Great for high school students with limited English language skills.
SIRS Knowledge Source	Especially good for high school and undergraduate students. Includes resources from SIRS Researcher (general information), SIRS Government Reporter (government document, directories and almanacs) and SIRS Renaissance (arts and humanities).
TumbleBookLibrary	An online collection of animated, talking picture books which teach young children the joys of reading in a format they'll love. Puzzles and games too!
